

Some of the things that Year 3 like best about our school are...

I enjoy the I.C.T suite and working on the computer.

I like the things that we learn about.

We get treated nicely at our school.

I like the field. It gives us a lot of room to play.

The new equipment on the playground is excellent.

The whiteboards in our classroom help us work.

You can ride your bike to school.

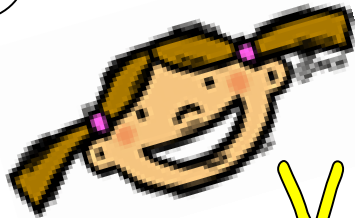

Nothing our school is perfect.

We have fun work to do.

I like learning new things every day.

I enjoy numeracy and writing stories.

Year 3

Some of the things that Year 3 would most like to change ...

- It would be good to be able to wear our own clothes to school.
- Brighter colours in the playground and more flowers.
- A trampoline and a swimming pool on the field.
- Stop all the noise in the hall at lunchtime.
- It would be good to have some animals in school.
- Fruit for Year 3 like we had in Year 2.
- Stop children interfering in your games.
- Have more P.E, I.C.T and more roast dinners.
- Non school uniform day every Friday.
- More football for Year 2 and 3.
- A bigger hall.

What do you think?
