In the morning before school you will wait outside in the pirate ship playground.

When the bell rings the door opens and you will go into school.

In the cloakroom you hang your coats on a peg, put your wellies under your peg and put your books bags in a box.

You put your water bottle and snack for the morning in a tray next to the sink.

This is the playground where you get to play with all your friends.

You have your lunch in the hall.

The dinner ladies look after you when you have your lunch play.

Each day you can choose to play in the classroom...

or outside.

Here are some other people who help us at school:

Mr. Holditch

Miss Talbot

Mrs Kelleher and Mrs Smith

We can't wait to
meet you!
